

# Business Aircraft Records Courses

## Part 147 Technical Schools

“ Education is the Most Powerful  
Weapon We Can Use to  
Change the World”

Nelson Mandela

All of BAR's courses are FAA approved. Content is drawn from information in the Aircraft Maintenance Technician Handbook (FAA-H-8083-30A), Chapter 2; from the Aviation Mechanic General, Airframe, and Powerplant - Airman Certification Standards (FAA-S-ACS-1);

and ... from the real-world experience of BAR's team of aircraft maintenance professionals with a combined experience of over 200 years in business aircraft maintenance and operations.

### Basic Program includes the following Courses
