We are Transforming the Industry through Education and Outreach

Instructional Materials

We provide aviation training and educational programs on-line, to Part 147 Technical Schools, to Aircraft Operators and MROs, or anyone in the industry needing our help.

On-Site and On-Line Learning Management System

We've developed a world-class website and online LMS to allow access to all the BAR resources and courses available to anyone, anywhere, anytime.

Industry Outreach

We provide focused seminars and workshops at conferences, educational institutions, special aviation events, etc.
